

Jaime Joaquin Gonzales Ilustre

FULL STACK DEVELOPER

Profile

A former analyst turned web developer. After studying finance and becoming a business analyst, I have decided to embark on a new path as I grew a fond interest in the tech industry. I attended a rigorous bootcamp that allowed me to learn the fundamentals of becoming a web developer and with that bootcamp now finished, I am ready to showcase my skills but also am open to learning new programming languages along the way.

Work Experience

Strategy Analyst, OTC FLOW, Amsterdam, Netherlands

OCTOBER 2022 — JANUARY 2023

- Developed further insights into the biofuel market regarding the physical end product, feedstocks, and biofuel certificates/tickets within Europe and sharing any updates (regulatory and/or market trends) with our sales team
- Developed business cases for new markets for our company to enter in, such as the Portuguese biofuel market and the Irish biofuel market
- Oversaw the Dutch, UK, Portuguese, and Irish biofuel market and the European CSO (Compulsory Stock Obligations) market
- Assisted in the onboarding of new colleagues by giving them a general introduction into the biofuel market
- Reached out to counterparties in governing authorities to gather information that cannot be found online or in the respective legislation documents
- Provided support to management with additional daily tasks

Brand Representative, Hollister Co., Maastricht, Netherlands

OCTOBER 2018 — SEPTEMBER 2020

- Part-time
- Customer oriented role
- Helped customers with their shopping needs and assisted them in any way possible
- Regularly maintained clothing presentations throughout the store
- Assisted the stock room team with handling incoming shipments and organising the inventory

Student Representative, Maastricht University, Maastricht, Netherlands

AUGUST 2018 — FEBRUARY 2020

- Assisted in events that were hosted by my faculty at the university, such as open days and introduction days
- During open days, I had represented my bachelor programme to potential new students and their parents
- During introduction days, I was assigned a group of new students to show them around the university campus and the city of Maastricht.
- In addition, I would introduce them to learning practices that the university utilises and answer any of their general questions regarding the university

Brand Representative, Abercrombie & Fitch Co., Amsterdam, Netherlands
